

## Prof. Dr. Sunny Luke

M.S., M.Sc., D.Sc., MIBiol CBiol, CLSp(CG), CL(Dir)

Scientist, Medical Geneticist, Tissue Engineer  
and International Educationist

International Institute  
for Scientific & Academic  
Collaboration, Inc., (IISAC)  
New Jersey, USA

### CURRENT POSITIONS

- **Founder and Vice Chairman, IISAC, USA**  
(International Education, International Linkage, Short term Study programs for US Universities, Clerkship Abroad, UNs SDGs, Youth Empowerment and Faculty exchange, Semester India Programs with Pondicherry University, KIIT University, Odisha, University of Kerala)
- **Director, International Education & Institutional Relations**  
(Caritas Hospital & Institute of Health Sciences, Kottayam, Kerala)
- **Technical Director – Neurodevelopmental Disabilities and Neurodiversity**  
(JIMPIRE – Child Developmental Therapy Center, Changanacherry, Kerala)
- **Visiting Professor, Genetic Medicine & Molecular Oncology**  
(College of Nursing, & College of Pharmacy, Institute of Health Sciences, Caritas Hospital, Kottayam, Kerala)
- **Consultant Educationist - NEP & FYUGP**  
(S.B College, Changanacherry, K.E College, Mannanam)
- **Scientific Seminar Speaker and Consultant Medical Scientist**  
(Diagnostic Genetics. Molecular Oncology, Stem Cell Technology, Tissue Engineering & Clinical Genomics - India and the USA)
- **Publication History:**  
<https://www.researchgate.net/scientific-contributions/Sunny-Luke-2077777554>  
<https://www.researchgate.net/scientific-contributions/Sunny-Luke-40059638>

- **Distinguished Medical Scientist**

Stem cell therapeutics and Tissue Engineering (R & D)  
Ortec International @ Columbia University School of Medicine, New York (1998-2008)

- **Graduate Professor (Adjunct)**

Medical Biotechnology & Genetics, Dept. of Biology  
Adelphi University, Garden City, New York (1994-2008)

- **Associate Director, Molecular Pathology Research**

Assistant Director, Medical Genetics, Dept. of Pathology  
Maimonides Medical Centre, Brooklyn, New York (1993-1998)

- **Research Scientist, Medical Genetics & Chromosome Pathology**

Long Island College Hospital, State University of New York  
Health Science Centre, Brooklyn, New York (1988-1993)

A must buy book for Malayali diaspora and Universities

- 1400 pages
- 2 Volumes
- 13 sections
- 87 chapters
- 106 authors
- Hard bound
- Encased

ISBN - 978-0-615-45465-8
