

## LANDMARK COLLABORATION BETWEEN INDIA & THE UNITED KINGDOM IN KNOWLEDGE SHARING AND SKILL DEVELOPMENT

Caritas Hospital & Institute of Health Sciences, Kottayam, Kerala, has entered into a partnership with the esteemed University of Salford, Manchester, UK, through an official memorandum of understanding (MOU) as sister institutions in Nursing and Health Sciences.

Prof. Dr. Margaret Elizabeth Rowe, Pro-Vice chancellor of the School of Health Sciences, University of Salford, UK

Prof. Dr. Sunny Luke, Vice Chairman, IISAC, USA

- Split Site Doctorate in Nursing and other Health Sciences.
- Conducting International Seminars in medicine based on recent research.
- Short Term Study Programs for nursing students through student exchange.
- Clinical Training in UK hospitals for nursing students from Caritas and *vice versa*.
- Developing Joint Research Programs in infectious diseases, cancer, and cardiovascular diseases.
- Exchange of Pedagogy between the two countries through faculty sharing.
- Developing New Health Degrees through hybrid joint teaching.
- Exchange of Knowledge by sharing publications and reference materials.
- Opportunities leading to Global Job Placements for eligible nursing graduates.

Rev. Dr. Binu Kunnath, Director, Caritas Hospital & Institute of Health Sciences

Prof. Twinkle Mathew, Principal, Caritas College of Nursing
